SUMMARY

A passionate IT student with a strong interest in cybersecurity, game development, and web technologies. Experienced in both academic and project-based settings, with hands-on skills in HIDS/NIDS using Wazuh and Suricata, game-based learning projects, and penetration testing tools like SQLMap. Always eager to learn and grow in challenging environments, especially those related to security and system reliability.

WORK EXPERIENCE

Cybersecurity Project Lead, Wazuh + Suricata IDS Project February 2025 - May 2025
PT Square Gate One

- Led a 4-member team to deploy HIDS/NIDS using Wazuh and Suricata on Ubuntu
- Simulated real-world attacks and integrated alerts for centralized detection
- Delivered detailed documentation covering system setup and analysis

Game Developer, GEMASTIK 2024 Competition January 2024 - September 2024
Buzzy Wizzy Studio (President University)

- Developed a simulation game based on Sustainable Cities (SDG 11)
- Designed enemy mechanics, resource systems, and event responses
- Collaborated in a 3-person team, integrating educational content into gameplay

Secretary, Jati Village Environmental Project May 2024 - July 2024
President University

- Coordinated awareness sessions on waste management and recycling for local residents
- Assisted with logistics and planning for clean-up drives and educational activities
- Engaged directly with the community to promote sustainable living practices

EDUCATION

Bachelor of Informatics 2023 - Present
President University

- Cybersecurity Concentration
- GPA 3.90
